10	LSPE-02S <i>LSPE-02S Surge Protection Enclosure 2MCB &amp; SPD</i>	Each	7	\$479.06	\$3353.42
<p><b>Line Notes:</b> Please Note: These enclosures can be mounted to G&amp;S Industries poles two ways. Firstly, directly to mounting straps at pole base behind access door. Refer to G&amp;S Industries drawing number ZLRG4331. LSPE-02S holes would need to be drilled in the LSPE-02S enclosure base to allow fitment.</p> <p>Second option is to mount Zelemite backing board to G&amp;S Industries mounting straps at pole base behind access door. Then mount the LSPE-02S enclosure to this panel. Zelemite panels can be purchase from most Electrical Wholesalers.</p>
