Part	Portable Base	
	Water-Fill	Ballast-Fill
Part Number	MOPU-Rotomold	MOPU-Rotomold-B
Height	1130mm	1070mm
Length/Width	1125mm	
Weight Empty	37kg	56kg
Pipe Diameter	Suitable for 60mmOD Pole	
Capacity	630L	500L
Wall Thickness	8mm	12mm
Inlet Size	45mm	200mm
Handles	Included	Optional
Material	MDPE	
Forklift Tyne Access	Included	
Suitable Fill Materials	Water	Concrete, Sand, Blue Metal/Water Mix
Colour	Standard: Orange. Customisable on request.	
Wind Region	A + B	A + B + C + D
Part	Swivelpole (G5 Series)	
Part Number	MOPU-G5-Ali	MOPU-G5-Ali-4m
Height (assembled)	6m Nominal	4m Nominal
Length (top pole only)	4.7m Nominal	2.6m Nominal
Length (base pole only)	3.6m Nominal	2.7m Nominal
Weight	26.8kg	20.2kg
Pole Diameter	60mmOD	
Material	Aluminium and Steel with HDG Finish
