Company Overview

Founded in 2003, Windssocks Australia is the premier specialist commercial and industrial Windsocks manufacturer in Australia. Our aim is to be the leading supplier of quality Windssock solutions across Australia and the Asia Pacific region. We handcraft our products 100% in Australia using the best materials to ensure the highest quality standards.

We have delivered thousands of aviation, commercial and industrial Windssock solutions throughout Australia, New Zealand, Papua New Guinea and the Asia Pacific. Our success is built on a reputation for high-quality products, extensive product knowledge, competitive pricing, commitment to innovation and dedication to excellent customer service.

Product Range

- Windssocks - Extra Heavy Duty Sunbrella, Anti-Static Oil & Gas, High Visibility Neon Industrial & Commercial, CASA Aviation Grade
